

RICHARD C. SCHONBERG, D.M.D., F.A.G.D.
GENERAL AND COSMETIC DENTISTRY

To our Valued Patients and Friends,

I'm writing to you to share some very exciting news for my dental practice. As of October 1, 2022 I will be merging with Dental Group of Millburn. Our new location will be 187 Millburn Avenue, Suite 1 -second floor (the entrance is next door to CVS), just down the street from the old office.

This merger will provide many benefits including expanded office hours and access to the latest dental technologies and services. I will be keeping my full-time schedule and you will still see the same friendly faces you have come to know. This transition will allow me to associate professionally with my highly respected colleagues Dr. Peter Benisch, Dr. Jeffrey Hankinson and Dr. Frieda Max. They are great friends and exceptional dental practitioners whose experience will be of great benefit to our current team.

We look forward to seeing you in our new convenient location. Please don't hesitate to reach out should you have any questions as we undertake these positive changes to our practice. We welcome your visits and encourage you to let others know of our growth, development and trusted care.

Sincerely,

Richard Schonberg, D.M.D., F.A.G.D.
